

NOTICE OF AVAILABILITY
DRAFT ENVIRONMENTAL ASSESSMENT
U.S. DEPARTMENT OF VETERANS AFFAIRS
REPLACE BOILER PLANT
DORN VA MEDICAL CENTER
COLUMBIA, SOUTH CAROLINA

The Department of Veterans Affairs (VA) announces the preparation and availability of a "Draft Environmental Assessment" (DEA) for the proposed construction associated with the Replacement Boiler Plant project, located at the VA Medical Center, Columbia, South Carolina. This project will construct a new approximately 12,000 square feet boiler plant to house two new boilers and a relocated boiler from the existing plant. The DEA has been prepared in accordance with the regulations for implementing the procedural provisions of the National Environmental Policy Act (NEPA). VA intends to issue a "Finding of No Significant Impact" (FONSI) following a thirty day comment period in accordance with the Council on Environmental Quality Regulations for Implementing NEPA, Section 1508.13 providing there are no substantive comments which warrant further evaluation.

For further information and / or a copy of the DEA please contact the Chief Engineer at the following:
